| Alteration to the electrical installation, not including service work, for each existing residential service of less than or equal to 125A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | \$401                          | \$421                          | per permit | No  |
| Alteration to the electrical installation, not including service work, for each existing residential service of 126-200A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | \$615                          | \$646                          | per permit | No  |
| <b>Permit Value Amendment</b><br>This permit is used when the <b>Homeowner</b> holds an active installation permit and the service size or job value has increased. The fee due is the difference between the original and the new permit value fee. An administration fee may apply depending on complexity.                                                                                                                                                                                                                                                                                                                                                                           | Variable based on permit value | Variable based on permit value | per permit | No  |
| <b>Homeowner Expiry Amendment</b><br>This amendment is used to renew an expired permit. Permits expire if there has been no request for inspection within the last 180 days.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | \$84                           | \$88                           | per permit | No  |
| <b>Permit Amendment Review</b><br>Assessed when an installation commenced without a permit or when an installation work type exceeds the declared permit type                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | \$296                          | \$311                          | per unit   | Yes |
